OFFICER COMMENTS:

The local community team alongside school link officers in the lead up to Bonfire and Halloween have been working to spread the message about preventing anti – social behaviour and fire safety. Officers have been in the schools and joint visits have taken place to individuals known or a likely to cause disruption at this time of the year.

The law has been updated, it is an offence to buy or supply fireworks to anyone under 18. (Excluding F1 Fireworks, part poppers, novelty crackers and certain sparklers)
