OFFICER COMMENTS; PC Davison

Local Policing Structure.

Chief Inspector Neil Wilson

Inspector Alan Healy

Sergeant Sandra Watt

Community officers PC Sam Davison & PC Susan Fulton.

Youth Issues.

Youths causing anti-social behaviour are being reported around the Corstorphine Retail park and the Gyle. Free public transport has seen youths come from outwith the area. But we are not seeing the same scale of issue as other parts of the city.

Recently there has been reports of youths making bonfire at Pinkhill path.

From January I will be moving to a new role within CID. I have very much enjoyed my time as the beat officer for Corstorphine and Murrayfield and met some great people who have helped and supported local policing. I'd very much like to thank the community council especially Steve and Vikki for their unwavering support and I very much admire the work and time you commit to the community council along with past members over the years. Thank you and hopefully see you again in the future... for the right reasons!

Thank you, Sam.
